

We are excited to invite you to **Bountiful Blessings, Hopeful Horizons!** Westminster has been blessed with many amazing and generous people, who have been blessed themselves by the wonderful programs, organizations, and people they have helped. Our church family is full of anticipation and hope for our future, as we soon hope to welcome a new minister. We see a bright sunrise on the horizon with a successful stewardship campaign.

It's truly up to us. We are the church. We are the hands, feet, eyes, ears, mouth, and heart of the Body of Christ. Now is the time of year to focus on funding the bountiful list of programs and ministries that will continue to make Westminster vital and strong. In order for it to remain so bountiful, we need the help of EVERYONE! Not just every member, but every regular visitor, too! Although the budget was cut 5% last year, we are confident that we can regain those losses and continue to grow in 2016. In the next week you will receive your pledge card in the mail. Prayerfully consider your pledge and think about how you can help Westminster reach that bright future we ALL envision!

We would also like to stress the importance of timely pledging as it allows for more effective planning to have the budget set as we call our new Minister. We are challenging all of Westminster – members and visitors alike - to complete their confidential pledges by **Dedication Sunday, which is October 18th**. Our goal is to have over 90% of our pledges received on time. Pledging shows your spiritual commitment. We have made the logistics easy – you can pledge in person, by mail or online. Let's strive to make it a bountiful and hopeful 2016!
