ABOUT THE MUSICAL

An ordinary day at the school bus stop ... a mysterious message you haven't seen before ... your mission, should you decide to accept it In this kids choir musical, what seems to start out like an ordinary day, quickly turns into an action-packed adventure, starting with a strange note and a mission!

Join this entertaining group of students for a very different and exciting school morning as they begin their mission to spread the message of God's love. Along the way, our Mission Possible kids learn that God's commandment to "go and share God's message of love to all the world, to all creation," doesn't mean we always have to travel to some dark, remote corner of the world to fulfill our mission—There are people all around us, in our neighborhoods and schools, who need to hear the Good News that God loves them!
