# COMMUNITY

## IGNITE COMMUNITY

---

Westminster Presbyterian is more than a church. We're a community that is gathered and shaped by the love of Christ. That means we are here for each other, but we are also here for the wider Greensboro community and the world.

## CARING FOR EACH OTHER

---

Westminster is more than a Sunday service; we are a community focused on building friendship and growing in faith together. God has created each of us for this community. We need Him and we need each other.

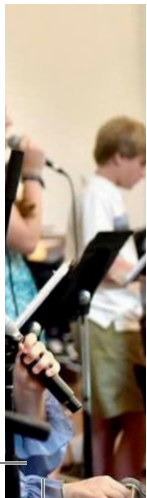

We gather weekly for prayer, celebration, song, and learning. And our many groups meet at different times and locations throughout the week. No matter how young or not so young you are, where you're from, what journey you're on, or what season of life you're in, Westminster has a group where you can feel like you belong.

YOU BELONG  
HERE.

# WELC

# COME

## WELCOMING ALL

---

Westminster is a community of people who want to make their journey through this world together. With each other. With God. People in all stages of their faith.

Westminster is a church for everyone, where you can come just as you are to connect with God in a way that makes sense to you. We are an inclusive church that wants to span generations and backgrounds and perspectives because we think the kingdom of God has room for everyone.

We believe that God did not create us to be alone, so we do life together, and we embrace others who are seeking companions for their journey. Every new member, every new family God sends changes our community for the better.

## SERVING THE WORLD

---

At Westminster, we believe God is at work in our world and that he is calling us to join him. We embrace our role as a place of spiritual equipping for service to the world by building homes for Habitat for Humanity here in Greensboro and repairing roofs in Appalachia. We feed the hungry in Central America and empower the oppressed in Africa.

With every act of love, we seek to imitate God's own love. We are confident that, through those deeds, God is renewing all things, including us.

# SERVICE

Romans 12:10 "Be devoted to one another  
in love."

# STEWARDSHIP AT WESTMINSTER

---

Stewardship is about our grateful response to God for all that we've been given. Most of us do not think much about the financial side of Westminster. We're accustomed to our vital, thriving community. We count on our band and choir to bring us closer to God while fellowship events help us grow closer to one another throughout the year.

Yet Westminster faces the same challenges as any organization or business. We have salaries to pay, property to maintain and vital programs to fund. 90% of our income comes through annual giving by members and friends. This means we depend on the support of individuals and households to continue our mission.

That mission is wide-ranging and varied: small groups, mission work, children's and youth ministries. Without your support, none of this would be possible. We hope that you will consider all the ways Westminster has inspired you as you think about making your 2024 gift.
