

# APPALACHIA SERVICE PROJECT

## Warmer. Safer. Drier.

Appalachia Service Project (ASP) is a Christian ministry, open to all people, that inspires hope and service through volunteer home repair and replacement for low-income families in Central Appalachia. This fall we will journey back to Jonesville, VA - the ASP headquarters. On a service trip like this, along with home repairs, you can expect to also form relationships with homeowners and community members, learning about the Appalachian region and come away with a rejuvenated spirit to serve.
